✍ *Editors' Note*

We are pleased to introduce the joint issue of the *Research Today*- An International Peer Reviewed and Refereed Research Journal of Humanities & Social Sciences [Vol. XVII, No. 1, January-June, 2026] before the learned academic world. Present issue of *Research Today*, boast to have research papers from multifaceted dimensions. The diversity of themes that have been touched upon here is indeed an expression of vibrant academic interest. We sincerely hope that, it will not only provide a unique platform to the scholars and researchers of various disciplines like History, Archaeology, Culture, Sociology etc. but also create interest in common mass very fruitful and relevant material of common interest and concern.

The present issue of *Research Today* contains Articles from various fields of humanities and social sciences and One Book review. The papers are arranged as per their recommendations from our reviewers. The papers are from different subjects containing Archaeology, History, Art, Culture, Sociology, Political Science, International Relations etc. This time we have papers on the region where less studies has been done in Indian History and Culture i.e. is North East. Garo hills of Meghalaya become the subject area for the researchers. Papers on religion are expressing the human values which is need of time. Several papers mark new interpretations of the discipline which boost our academic enthusiasm.

We hope this issue of *Research Today* will receive its due response in academic world. We welcome all those scholars and researchers from humanities and social sciences who wish to contribute and join their hands to bring in qualitative change in the field of research and writing in their fields. All opinions are solely of the respective authors. We are thankful to K R Publisher and Distributors, Varanari for their punctuality in printing. We would be pleased to receive comments for the present issue and suggestions for the future.
